

STAFF PROFILE – MARIAN HALLEY

Marian Halley has been with Plateau at our Tuggerah Branch for 4 ½ years. During her time with us, her administrative and customer service skills have been exceptional and earned her the 'Administration Award for 2009', a title Marian sees as a highlight of her employment with Plateau.

Marian enjoys spending time with her partner, family and friends and takes time out by spending time in the garden of her new home and taking her little dog for walks along the beach.

Marian is an integral part of the Tuggerah branch and we appreciate her ongoing dedication and commitment.

THE HUMBLE PIE

They say a nation's culture is often defined by its cuisine. In Australia the quintessential national food is the meat pie. The humble meat pie has stood the test of time and today is a staple food at footy games, a convenient and satisfying snack on the run or an easy finger food at parties.

The variety available these days would satisfy the fussiest of eaters and even caters for specialist diets, such as Vegetarian, Halal, and school canteen requirements.

Plateau stocks a full range of both Mrs Macs Pies & Pasties and Patties Pies. So, with winter coming up, why not include pies on your menu for an easy, satisfying fast food alternative that will keep them coming back for more.

CUSTOMER PROFILE - PIZZA INN

The Pizza Inn Group was established in 1985, by Rudy Arbolino and Vito Russo, to serve a niche market for handmade, traditional style pizza that is made fresh to order.

With 8 locations in Sydney and Central Coast, and plans to launch new stores in the not too distant future, Pizza Inn is going great guns for success.

Their menu is extensive and includes a range that would satisfy every member of the family. Their upcoming launch of their new range of gourmet pizzas will keep their satisfied customers coming back for more.

Plateau has been servicing Pizza Inn for many years and Rudy commented that "Plateau's service is excellent, and products and pricing are very competitive".

Plateau is there for Pizza Inn every step of the way and we look forward to a bright future ahead for all of us!
